7-ELEVEN'S ENERGY MANAGEMENT OBJECTIVES

7-ELEVEN'S DISASTER PREPAREDNESS

- Employees
- Customers
- Communities

- Property
- Merchandise

- Utility Responsiveness

- Minimize Lost Revenue

ESSENTIAL BUSINESS TO OUR COUNTRY

- 7-Eleven offers life's basic necessities: water, food, batteries, over the counter medicine, toilet paper, bread, eggs, etc.

- Without fuel/power our customers may not be able to evacuate during a hazardous event or have basic needs met

RESILIENCY IS IMPORTANT TO OUR BUSINESS

- Lack of power, negatively impacts our mission and ability to support our customers immediate need.

- Loss of Power negatively impacts our finances with the loss of revenue and write offs on food
